TO: Harold Weisberg

SUBJECT: The Freedom Institute -- Iowa Wesleyan University

Earlier this month David Finke, (Director, Peace/War Issues Program) from the American Friends Service Committee suggested to me that the Freedom Institute might be interested in some of the material you are developing, particularly that about the activities of the radical right.

He suggested you write to Frank Wright, sending a copy of the letter to Franklin Littel -- both addresses are: The Freedom Institute, Iowa Wesleyan College, Mount Pleasant, Iowa.
